For 30 years, Langara Fishing Adventures has built its reputation on providing the greatest fishing and wildlife adventures in the world. At Langara Fishing Lodge, you'll enjoy first-class service, gourmet dining and comfortable accommodations in one of North America's most remote and scenic destinations – Langara Island, located just south of Alaska in British Columbia's Haida Gwaii archipelago.

Feel the thrill of reeling in a mighty Pacific salmon or halibut, with fishing just minutes from the lodge in waters that play host to the greatest abundance of migratory salmon on the West Coast of North America.

Witness dramatic wildlife in one of the world's richest marine environments – a typical trip to Langara will feature numerous sightings of Humpback and Killer whales, sea lions, Bald Eagles and a countless variety of interesting fish, bird and marine mammal species.

And as contestants in the Spring Salmon Showdown, you will also have a chance to return to Langara the following season. The guest catching the largest salmon before the first day of summer will win a free trip back to Langara Fishing Lodge.

Langara Island's sheltered waters, and the option of fishing with expert guides, make this a terrific experience for both serious and novice anglers, including children over 13 with some boating experience.

Your Langara adventure is all-inclusive from Vancouver, BC, including air travel to Haida Gwaii and a scenic helicopter flight to the lodge.

High standards of service, spectacular natural surroundings, and the greatest ocean salmon fishing in the world make Langara Fishing Lodge the trip of a lifetime!
